一、英譯中:請將下面這段英文譯成正確、流暢的中文(20分)

The wonderful technology that enables us to perceive the glimpse of the physical world in the virtual world is metaverse. In the metaverse, we will be able to do everything as we do in the real physical world. Everything like gaming, video conferencing, emails, and live streaming that we do in the metaverse could be performed digitally. Metaverse is an amazing technology that will connect us to the 3-D world of virtual reality. A universe beyond the existing one where communication, business, social interaction can be performed with great ease. The application of metaverse technology at present is only done in making games but it will be expanding in the coming years. The founders and investors are observing the development of this newly emerging technology in the future.

二、中譯英:請將下面這段中文譯成正確、流暢的英文(20分)

企業社會責任是一個廣義的概念,可以根據公司和行業採多元形式展現。透過企業社會責任企畫、慈善事業和志工服務,企業可以在提升其品牌的同時造福社會。企業社會責任活動有助於員工和企業間建立聯結,提高士氣,並幫助員工和雇主感覺與問圍世界的聯結更加緊密。採用企業社會責任方案的公司通常將業務發展到可以回饋社會的程度。因此,企業社會責任典型地是大公司實施的策略。畢竟,公司越是引人注目和成功,就越有責任為其同行制定道德行為標準。
