一、英譯中：(30 分)

A content farm (or content mill) is a company that employs large numbers of freelance writers to generate a large amount of textual web content which is specifically designed to satisfy algorithms for maximal retrieval by automated search engines, known as SEO (search engine optimization). Their main goal is to generate advertising revenue through attracting reader page views, as first exposed in the context of social spam. These activities get newspaper journalists really angry. They argue that rushing articles onto the web based on trending search topics inevitably leads to superficial writing.

二、中譯英：(30 分)

澤倫斯基 (Zelensky) 總統在緊急情況下向歐盟領導人和歐洲議會發表備受期待的演講中說：

「有了我們，歐盟將變得更強大。這是肯定的。沒有你們，烏克蘭將變得孤獨、寂寞。我們已經證明了我們的實力。我們已經證明了至少我們和你們完全一樣。所以一定要證明你們和我們同在。一定要證明你們不會丟下我們。一定要證明你們的確是歐洲人。

然後生命將戰勝死亡，光明將戰勝黑暗。願榮耀歸於烏克蘭。」

結束發言後，他獲得了長時間的起立鼓掌。
